

THE ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC

Name of the Institution : **ST. IGNATIUS COLLEGE OF EDUCATION
(AUTONOMOUS), PALAYAMKOTTAI – 627 002.**

Year of Report : **2012 - 13**

PREFACE

St. Ignatius College of Education, which had its birth in a noble heritage of background, was established by ICM Missionary sisters, who contributed towards the education of women in the Southern part of India.

The College started functioning in 1957 and has completed 55 years of glorious service in the field of education. A mile stone in the growth of the college was the autonomy status granted in the year 2008 which raised the potentiality and credibility of the institution.

With a total strength of 219 students and twenty three staff on the roll, the institution today has substantial merit and mettle to create its niche' in the educational arena.

MOTTO OF THE INSTITUTION

“ Virtue is our Strongest Shield”.

Vision

Our College aims at the formation of prospective women teachers with far-sighted clear vision of the present and future panorama of the needs and requirements for the promotion of Social Justice and Social Progress.

Mission

As ICM educators, we commit ourselves to work in a special way for the development of an integrated personality of our students and staff by giving importance to deep faith formation, inculcation of moral and spiritual values and empowering them to strive for equal status in life.

With this permeating Vision in our mind, we sail forward with the single minded devotion under the able guidance of our zealous administrators. As a team we bear in mind, the following vital issues – past tradition, present status and Future perspectives of progress. This panoramic view enables the multiple dimensions of the role of the college originating from the demands laid by the technological advancement and shift in our value system. With

this awareness all our curricular transaction and non-curricular programmes are geared towards instilling in the student teachers the philosophy of simple living and high thinking which would enable them to stand firm footed in the swift currents of globalization, privatization and liberalization.

The shift in pedagogical synonym and function converges towards the focal point of formation of fit members of the community – members who would fit smoothly into values niche of social roles to be played that would in turn impel the national progress.

PART – A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

The IQAC has chalked out well-formulated plans for the upliftment and enhancement of the various courses and programmes of the institution. The success of the IQAC lies primarily in the efficient process through which the work is decentralized through proper delegation.

The composition of the IQAC Team is as follows:

PART – B

1. Activities reflecting the goals and objectives of the institution :

Keeping the objectives of producing committed, sincere, socially conscious, morally upright, culturally refined, Techno-Savvy teachers our college organized multifarious programmes for the student teachers. Meticulous planning is done in the beginning of the year involving all the faculty members. Participation of all the students in all the programmes is made mandatory. Our student teachers are constantly encouraged to search for truth and

justice and show concern for the less privileged. Realizing the urgent need for value builders in the society our institution gives utmost importance to Faith formation and Value Education. Thus efforts in the formation of attitudes and behavior patterns of the student teachers are taken, so that truly they become agents of social transformation with a sense of commitment to the society at large.

The main thrusts of activity are

- Development of Integrated personalities
- Education as Holistic Formation
- Eco-protective awareness
- Human Rights and Rights of the women
- Web Technology and Social Media
- Technology based teaching methodology
- Life oriented education
- Inter Faith meeting and Dialogues

2. New academic programmes initiated (UG and PG):

Technology is not only a key for development but it is the ‘Wave of the future’ also. Teachers of 21st century must be a ‘techno- literate’. They need to develop proficiency with the tools of technology, to manage, to analyse and synthesis streams of information and evaluate multi-media texts. Keeping this in mind our college has planned i) to provide a yearlong course on ‘Computer Application’ that comprises both theory and practical. ii) To give training in handling ‘SMART BOARDS for Smart Classes’. iii) To conduct seminars on “Web Technology’ and the issues related to ‘Social Media’.

3. Innovations in curricular design and transaction:

- Minor alterations related to current affairs of the society were made accordingly in the B.Ed., M.Ed., and M.Phil. curricula, as per the suggestions of the Academic Council.
- Student teachers are encouraged to integrate the skills of micro-teaching with the skills of co-operative learning during their internship practice teaching which they found to be highly effective.
- The student teachers are encouraged to use library resources for organizing and preparing the materials for well-graded assignments, differently allotted seminar

topics, innovative and simulative practicum work, preparation of reading materials for the theory papers and for effective peer teaching.

- The student teachers are enabled to reap the utmost benefit from the innovative methods adopted by teacher educators such as group discussions, brain storming, seminars and Self Study Method.
- Remedial English was provided to student teachers coming from rural area and for those who do not have a sufficient knowledge of English.
- The College implemented the techniques of collaborative teaching at the B.Ed. level and Technology supported Seminars were implemented at the M.Ed. and M.Phil. classes.
- M.Ed. students are provided research experience through Research Colloquium.
- NET/ SLET coaching classes are provided to benefit the SC/ST students.
- TET/TRB coaching classes are planned to be given to B.Ed students
- Slow learners are provided with coaching classes to enrich their knowledge.

4. Inter-disciplinary programmes started :

- Programmes on Women Empowerment, Guidance & Counselling, Environmental issues are organized intermittently for B.Ed Students. Class talks are organized on topics related to National Knowledge commission, Virtual Learning and the importance of Inclusive Education for M.Ed. and M.Phil. Students.
- In order to promote Inter –disciplinary outlook in the student teachers, membership is made mandatory in the following club activities like Psycho-social club, English literary club, Reader’s club, Nature Lover’s Association, Women Cell, History Club etc.

5. Examination reforms implemented :

In requirement of the norms of autonomous status, two semester examinations are conducted for B.Ed., M.Ed. and M.Phil. courses. Two internal tests are conducted per semester and aggregate of 25 internal marks and 75 external marks is considered as the total performance of every student. For UG and PG courses internal assessment of assignment, field work and participation in research colloquium are conducted. The autonomous status has enabled immediate feedback of the performance of the students.
